# INFORMATION & GUIDELINES

## GUEST COUNT

It's your party, you can invite as many guests as you like! In order to serve all your guests with the same quality service, we just ask that you give us a guaranteed guest count 10 business days prior to your event date. Additions to the final guaranteed guest count, including special dietary needs, additional meals or equipment rentals, must be provided 5 days prior to your event date. Any additions made after this deadline will be subject to a 15% surcharge.

## PAYMENTS

Once the contract is signed, a non-refundable deposit payment of 50% of the estimated total is due. Final and full payment will be due 10 business days prior to your event date based on your guaranteed guest count. In the event that your total cost exceeds the total estimate paid, the difference will be due and processed on the day of the event. Failure to provide above payments will cause your contract to be void. We accept money orders, Visa, Mastercard, Discover, and American Express.

Personal checks are only accepted 14 days prior to your event date. All deposits are non-refundable. The catering sales tax will be applied to your final bill. All cancellations must be done by phone. No emailed or faxed cancellations will be valid. Cancellations within 72 hours of event will be charged 100% of total event contract.

## FOOD COST

Food and beverage pricing based on menu selections. Sample menu prices are based upon a minimum of 30 guests. Please add the following percentages for less than 30 guests: 29 - 15 guests add 30% | 15 guests or less - add 50%. Creating a memorable and successful event requires incredible attention to detail. The 18% catering fee focuses on providing you with an exceptional experience from our sales, culinary, service and operations team. All orders include serving pieces and high quality disposables. Service labor and sales tax are not included.
